

## **City of Columbus**

### **Emergency Brush and Household Garbage Instructions**

December 13, 2007

#### **Brush:**

Cut up in 4 – 6 ft lengths, put between curb and sidewalk on the city easement. Do not stack within 20 ft of a gas meter, water meter, or fiber optics box if possible. Do not mix with household garbage. Do not stack in the alley. Any elderly or disabled needing brush removal contact City Hall.

All brush on city streets, alleys and easements will be removed by the City as soon as resources are available.

#### **Household Garbage:**

Stack garbage in plastic bags between sidewalk and curb on the city easement. Do not stack within 20 ft of gas meter, water meter or fiber optics box if possible. Do not mix with brush. Do not stack garbage in the alley. The trash truck will run the streets only and not alleys until the regular routes are reestablished.

The City has a 30 yd dumpster setup at 100 block N. Tennessee (East of True Value store) for Citizens to use during this emergency. This dumpster is to be used only for household garbage.
